

Join a virtual community conversation on aging in Michigan

May 26, 2020
10:00-11:30 a.m.
Zoom/Conference call

The Michigan Department of Health & Human Services Aging and Adult Services Agency is developing Michigan's State Plan on Aging. We are looking for your feedback on what it's like to be an older adult living in Michigan. We want to learn about the needs and gaps in programs and services so we are better able to support the health and wellbeing of Michigan's older adults. Your input will help protect & promote health!

If you are an older adult living in Berrien, Cass, or Van Buren County we want to hear from you! Attendance is limited to 50 people. RSVP is required. Once you RSVP, you will be sent information on how to join the call.

If you would like more information or to RSVP, please contact Kelly at cooperk6@michigan.gov or 517-241-4100.
