Criminal Background Check Minimum Standard Compliance

The State of Michigan's Aging, Community Living, and Supports Bureau (ACLS Bureau) operating standards for Area Agencies on Aging (AAA) includes requirements for criminal background checks for all paid and volunteer staff- (Specifically, Indicator #7 of Standard B-3). Transmittal Letter #2012-253 gives additional clarification on this requirement.

Due to these requirements mandated by the ACLS Bureau, I hereby authorize Region IV Area Agency on Aging to perform a criminal background check on myself, using the Michigan State Police database or any other method that fulfills the requirements to the ACLS Bureau. As part of the new State guidelines, I understand a background check will be performed at least once every 3 years, and I hereby grant permission for these required background checks on an ongoing basis.
